VIBRAX® SUPER BOU

Tandem blades combined with Marabou, Hackle & Flashabou fibers create an undulating action that makes the bait come alive. The small sleek design of the size 6 & 8, rigged with one hook, is great for burning over shallow cover. The size 10, with two treble hooks, has a larger profile body which emulates mature bait mid-season on.

A single blade (**Size 6 Only**) for a fast burn-style retrieve. Marabou, Hackle and Flashabou fibers come alive with a pulsating model that is the perfect choice for catching action.

MODEL NO.	BLADE SIZE	BODY LENGTH	WEIGHT

SUPER BOU SPINNERBAIT

SUPER BOU SPINNERBAIT

Twin Colorado blade combination provides the vibration you need. The traditional spinnerbait mount frees the blades for easy rotation, enhancing the high vibration large predator fish are attracted to. Hard thumping action brings the Marabou, Hackle & Flashabou tail dressing to life. The large profile emulates mature baitfish, increasing the chance for a trophy catch. Heavy-duty rigging and premium VMC® hooks ensure that when the big guy grabs on he doesn't get off during the epic fight.
