

TERMINATOR[®]

A photograph of a pond with many lily pads. A person's hand is visible on the right side, reaching out towards the water. The water is dark and reflects the light. The lily pads are green and some have small white spots on them.

TERMINATOR[®]

Put an end to wasted time on the water. With renewed focus by pros and anglers in the know, the latest offerings by Terminator[®] are turning heads, especially the ones with bucketmouths. A major influence on tournament success across the country, the word is spreading. Whether working any of the sensational frog series to the legendary spinnerbaits and jigs you can count on Terminator to give you the pro edge.

SUPER STAINLESS BUZZBAIT

47% more vibration.

- Flat head design allows the buzzbait to get up on top of the water quickly, much like a water ski, and stay on the surface, even at very slow retrieve speeds
- This buzzbait's Super Stainless frame is 30% stronger than ordinary stainless-framed buzzbaits, offering topwater enthusiasts a tougher, more maintenance-free buzzbait
- QuickSkirt changeable premium silicone skirt
